## AND WHAT THE PARTICIPANTS SAID...

'It is a kind of magic, like the camp: the volunteers talk to us, care for us, we play together, do tasks together. And just in such a difficult, terrifying situation, even for me – as an adult – it was liberating.' – **a mother, participating in an online family program**

'The same experience as the one we got in the camp. Bringing back and reviving memories from the times spent there gives some extra energy to survive the usual weekdays.' – **an online Alumni program participant.**

I applied for the online program because I was curious about what it feels like to belong to Bátor Tábor. And now I know and I couldn't imagine anything more beautiful.' – **our first online camper**

'During the game I felt as if I had met my classmates again.' – **an online school program participant**
